Arts Education Courses

Arts Education

Non-credit courses are recorded as Continuing Education Units or CEUs. One CEU represents 10 contact hours of instruction and learning activities. CEUs are generally not transferrable to other institutions.

AED 01 Arts Integration Methods (3)

In this course, participants will learn and practice elementary arts integration methodologies and assessment strategies for all major art forms including music, dance, drama, visual arts, literary arts, and media arts.This course will meet the Context, Integration, and Assessment requirements for the Utah State Elementary Arts Integration Endorsement.

AED 02 Piano/Orff/Classroom Music (3)

In this course, participants will learn and practice elementary music methodologies and assessment strategies including entry piano skills and Orff pedagogy. This course will also introduce the basic elements of classroom music, including playing simple instruments, appropriate signing strategies, and movement for children. This course has been designed to meet the Basic Knowledge requirements in the field of music for the Utah State Elementary Arts Integration Endorsement.

AED 03 ArtsConnect International Rwanda (4)

This 11-day course experience in Rwanda will be an educational exchange, where select BTSALP Specialists provide a 4-day professional development training and implementation for teacher-trainers in Rwanda. Similarly, these specialists will endeavor to learn how the arts and community building have sustained and propelled the Rwandan people to recover and rebuild following the genocide of 1994.
